Tiny House Compound on
Llano River

30 / 35

Cabins are about 100 feet from the river.

1 / 35

Cabins allow for privacy and away time.

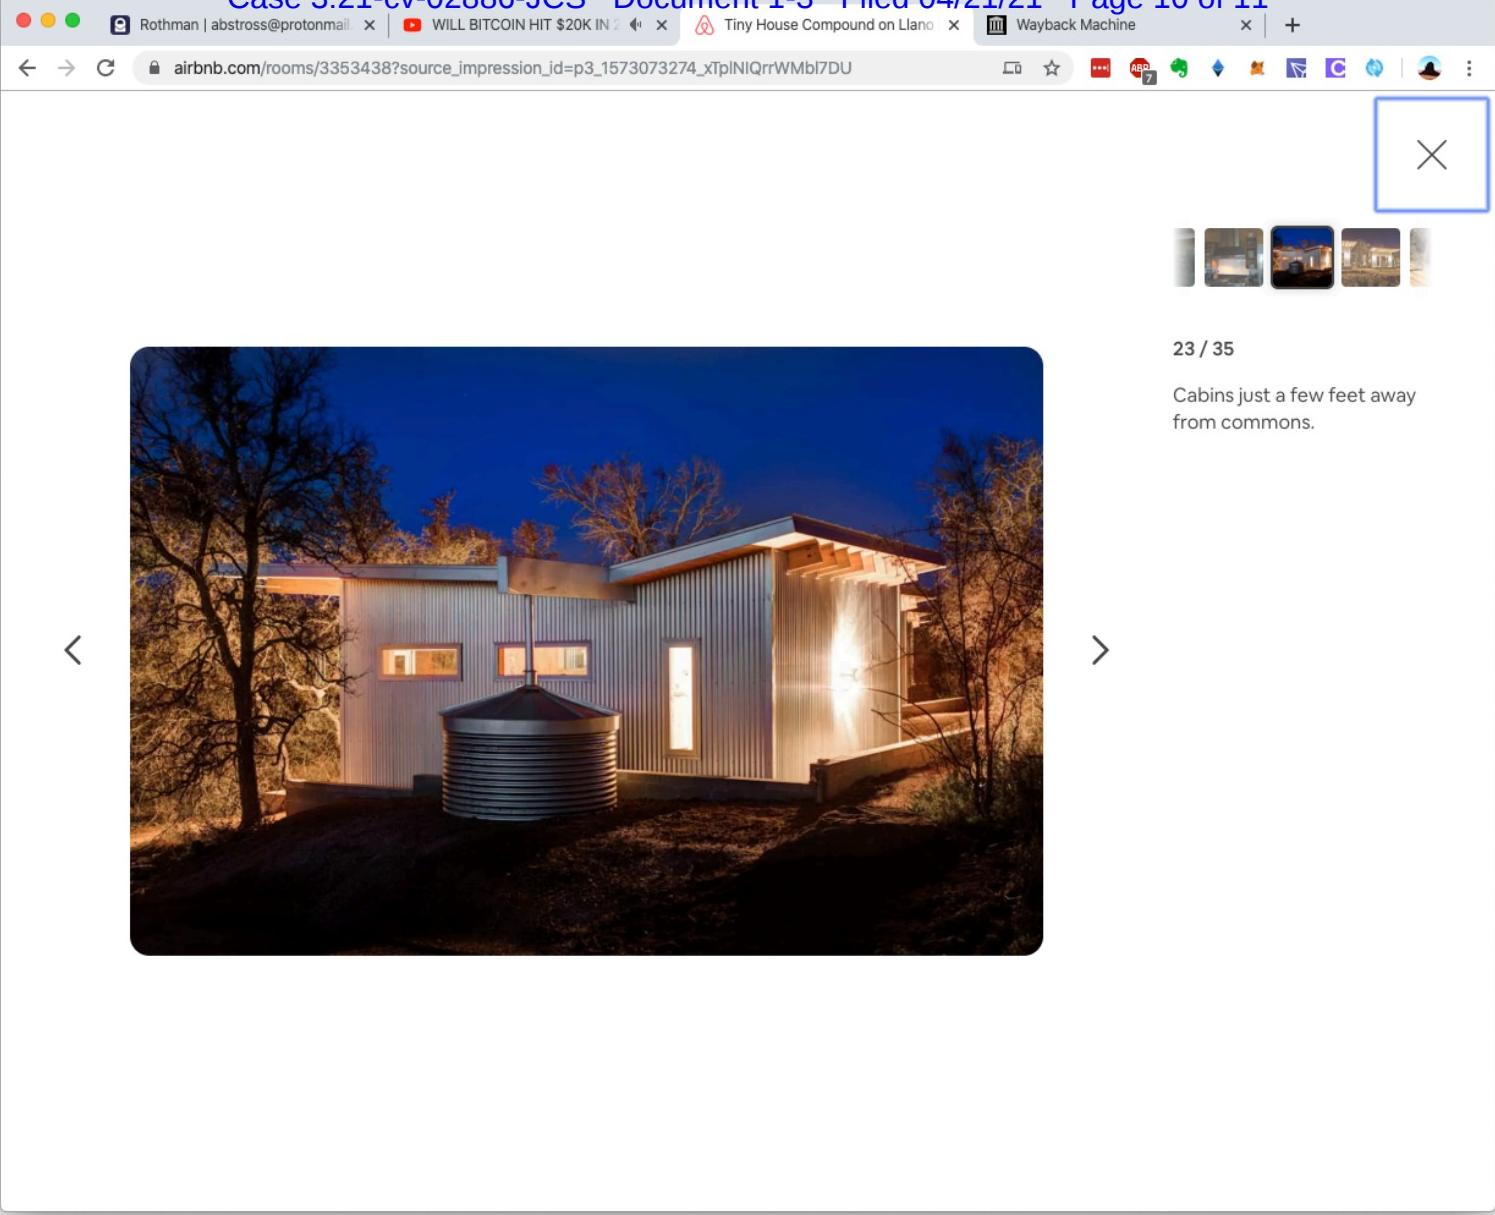

24 / 35

All 4 cabins are adjacent, but not TOO close.

Rainwater collection from butterfly roofs.

A modern tiny house with a blue corrugated metal exterior and a large silver rainwater storage tank. The house features a flat roof with overhanging eaves. Bare trees are visible in the foreground and background against a clear blue sky.
